

Fall Protection Competent Person Training

Join us @ the IEC Training Facility

Persons who work at heights are required to receive fall protection training. This four-hour course includes recognition of fall hazards, when fall protection is required, selection of appropriate fall protection systems, and inspection and use of personal fall arrest systems. Hands-on use of fall protection equipment is included in this course. Upon successful completion of the course, each student will receive a certificate.

November 15, 2017

7:30-11:30am

Cost: \$200/Members

\$250/Non-Members

*Discounts available for multiple registrations
