This class will be beneficial to anyone that has to deliver to any audience. Maybe a foreman that has something to share at a team meeting or an instructor delivering technical information to a class.

From setting the guidelines to verifying the content was comprehended. You will learn presentation techniques that will engage your audience regardless of the content you need to deliver.

WHEN

**Wed. July 25,
2018**

5:30-8pm

WHERE

**Central PA IEC
Training Facility**
