

NEC CODE UPDATES

Join Us for a GREAT Class!

Marty Schumacher will once again be on hand to provide you with the most up to date information on the 2014 NEC Code as Pennsylvania moves from the 2008 to the 2014 code as of 10/1/18.

- Marty is a nationally renowned instructor who is a member of numerous electrical organizations.
- **Pennsylvania is adopting a new energy conservation code effective Oct. 1, 2018 through an update of the Pennsylvania Uniform Construction Code (UCC). The 2015 International Energy Conservation Code (IECC) will be the new building efficiency standard statewide except for in the city of Philadelphia, which is adopting the newer 2018 IECC standard. Don't be left in the dark! Understanding these additional rules are crucial for safety and your business.**
- **Approved for continuing education in Queen Anne's, Harford, Dorchester, Caroline, Wicomico, & PG Counties as well as Maryland, Delaware, Virginia and North Carolina.**
- All Attendees will receive a certificate of completion.
