EARN MARYLAND CEU'S AND LEARN WHAT ELECTRICAL INSPECTORS CONSIDER THEIR TOP VIOLATIONS.

*Marty Schumacher will lead this class to help you learn and earn your CEU's for Maryland and beyond. Marty holds a Maryland master electricians license, journeyman's license, and is a member of the NFPA, IAEI, AFAA and is a IAEI Certified Master Inspector(CEI-M), ICC certified commercial electrical inspector, residential inspector, electrical plans examiner and MD State Fire Marshall 3rd party inspector.*

This 5 hour course will cover Marty's picks for the Top 20 NEC code violations. Marty carefully reviewed these choices and compiled a very detailed presentation that will greatly benefit the contractor and electricians. Course covers both residential and commercial code rules and participants will receive a certificate of completion.
